

Isaac Manning

President & CEO

Isaac founded Trinity Works in 2002, and has over 28 years of experience in real estate development as an architect and developer. Isaac has worked in both domestic and international markets, with a primary focus on public-private partnerships that steward exceptional visitor experience. Isaac's focus is on client values and world-class execution through development. There is no challenge too small that Isaac will not take-on for the benefit of the client and economic success of the project.
